

# After School Parent Handbook

Dear Parents,

Welcome to Powersports After School!

We are glad your child is enrolled in our After School program. It is our hope that together we can make this a positive and enriching experience for everyone involved. This handbook was developed to inform parents of the After School policies and programs. Parents will be given a new copy each year as well as be informed of any policy changes in writing as they occur throughout the year. Parents are expected to read and be familiar with the information contained within this packet. Note that this document serves as a contract between you, the parent, and Powersports stating that you are aware and agree to abide by our policies and procedures.

## Our Mission

It is our mission to meet the needs of the community by providing a safe and fun After School program.

## Our Staff

The typical Powersports After School counselor is carefully selected from a variety of applicants. Our staff members are typically students with Texas A&M University or Blinn College, and a majority of them are education majors seeking to become teachers. We maintain a camper to counselor ratio of 15 to 1 ensuring that your child is always supervised, and enabling our counselors to better get to know your child. **You can find an up-to-date staff list posted in the parent check-in and check-out areas of Powersports.**

## **Hours of Operation:**

**Front Desk:** Monday – Friday, 7:30am – 12:00pm & 4:00pm – 7:00pm

**Powersports After School September - May:** Monday – Friday, 3:00pm – 6:45pm

**After School** – It is very important that you inform the front office/leave a message by 2:30pm if your child will be absent from the program so we can ensure that the routes run as smooth as possible. It is up to the child to make sure that they are ready to go when the bus arrives. In order to maintain a schedule, the bus cannot be delayed so that counselors can go into the school to find a child. I understand that if my child misses the Powersports Bus, Powersports WILL NOT return to the school and it is my responsibility to find transportation for my child.

\*Should you have to pick up your child late, please contact the front office as soon as possible. **A late pick-up fee of \$1 per minute will be applied after the program pick-up time.** Note that exceptions can and will be made as to whether or not the late fee is applied. One time offenders may or may not be charged the late fee, but persistent tardiness will result in late charges to be paid before your child can attend another day.

## **Releasing Children:**

1. **We will not release your child to anyone not authorized on his/her registration form.**
2. PLEASE REMEMBER TO COMPLETE THE APPROPRIATE REGISTRATION FORM (separate from your portal), before your child's first day of After School.
3. Make sure all your child's belongings are together and have their names or initials clearly labeled on them.
4. By state law children must be signed in/out on the attendance record.

## **Pick-up:**

When picking up your child we ask that you please follow these steps:

1. Sign your first and last name in the appropriate space provided on the sign-out sheet. If someone is picking up your child who is not authorized on their registration form then a notification from the parent/guardian must be provided to Powersports. All persons picking up children must have a valid photo ID. **We will not release your child to anyone not authorized on his/her registration form.**
2. Make sure all your child's belongings are together and accounted for, and most importantly are **their** belongings. Although our staff will help each child gather up their belongings, please note that you as the parent are allowed to step back into our facility and assist your child in packing up their belongings as well as helping our staff find anything they may have misplaced throughout the day.
3. By state law children must be signed in/out on the attendance record.

## **Illness & Exclusion Criteria**

We ask that parents please keep your child home if he/she has:

1. A temperature of more than 100 degrees Fahrenheit in the morning. Children should be free of fever for 24 hours (without medication) before returning to camp.
2. Conjunctivitis, an eye infection commonly referred to as Pink Eye. The eye is generally red with some burning and there is thick yellow drainage being secreted.
3. Bronchitis; hoarseness in the throat, cough, and slight fever.
4. Rashes that you cannot identify or that have not been diagnosed by a physician.
5. Impetigo of the skin (reddish pimples). A blister may form and then burst leaving the skin surface irritated and raw.
6. Vomiting/Diarrhea must not have vomited or had two consecutive loose stools in the last 24 hours before returning to camp.
7. A severe cold with fever, sneezing, and/or a runny nose.
8. A contagious disease (measles, chicken pox, Mumps, etc.). Please let us know if your child becomes ill with a communicable disease, we are required by law to notify the parents of other children attending our camp. Privacy will be kept.
9. Been diagnosed by a doctor as having an ear or throat infection. Children must be medicated for at least 24 hours before returning to the camp.
10. Head lice; a child must be **FREE** of **head lice/eggs** before returning to class. A doctor's note and assessment by the Childcare Director will be required upon your child's return. This also applies to **ringworm**.

\*If a condition develops during the day, a parent will be notified and the child must be picked up as soon as possible. A sick child will be attended to and kept comfortable in the counselor's office until the parent arrives. **It is required by law that any child sent home due to illness may not return until they have been symptom free for 24 hours.**

\*Only prescription medications and "emergency medications" prescribed by a doctor (i.e. asthma, insulin, Epi-pen, etc.) will be administered by Powersports employees. You must fill out and return a "Permission to administer medication" form before any Powersports employee can administer medication to your child. Please do not send your child to camp with medication for them to dispense to themselves. All Powersports Camps and Childcare programs are licensed by the state and we adhere to Minimum Standards regulations.

## **Medical Emergency Procedures:**

Powersports is extremely concerned and cognizant of our role in correctly managing situations that require first-aid and/or emergency care. Our staff is required to be certified in CPR and basic first-aid training. Specific safety and emergency procedures are posted throughout our facility and within the staff handbook. Fire drills occur once a month and severe weather drills are held each session.

**Medical Emergency:** In the event of an actual medical emergency, EMS (911) will be called and first-aid protocol will be followed. If transportation is necessary the program director or director's assistant will accompany the child to the hospital. Parents will be notified by phone at the number specified on the enrollment form and/or sign-in sheet.

**EMERGENCY PREPAREDNESS:** In the event of an actual evacuation due to fire, severe weather, flooding, terrorist attack, etc., all parents will be notified and given one hour to pick up their children. All children left after one hour will be transported to our emergency shelter located at Central Baptist Church in one of our school buses. Once at Central Baptist Church, the staff will do a name to face roll call every 15 minutes using the daily attendance records brought from our facility and the director will communicate with CCL, local authorities, and parents

using a personal cell phone or a land line provided by the church. In addition, all parent emergency contact numbers, authorizations for emergency medical care and registration forms will be transported and available for use.

## Parental Notification Procedures:

**Medical Notification:** Parents are notified of any accidents. Accident reports are filled out by the attending staff member and signed by the director or supervisor. Parents are also asked to sign the accident report as proof that they were notified. Although accidents do unfortunately occur, safety is our number one priority in all of our activities.

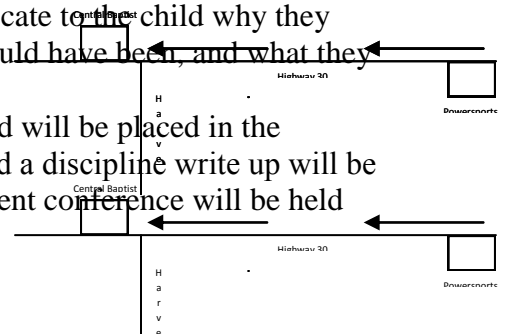

**Notification of Policy Changes:** Parents will be notified in writing of any change to our operational policies and enrollment agreement. Once changes have been enacted parents will need to sign the electronic copy indicating they are aware of the changes that were made.

## Discipline and Guidance Practices:

**Redirection/Discipline:** One of our goals at the Powersports After School is to help develop and build a child's self esteem and confidence. We believe that every child should learn to take ownership of their actions and learn to make appropriate choices before acting.

Our counselors follow a 3 step process when disciplining a child.

1. A verbal correction is given followed by verbally telling the child the correct behavior.
2. A second verbal correction is given by the counselor and the child will sit out from the activity for 1 minute times the age of the child (i.e. a 5 year old would sit out for 5 minutes). When the time is up the counselor will communicate to the child why they were sitting out from the activity, what the right choice should have been, and what they can do next time to prevent acting in the wrong behavior.
3. A third verbal correction is given by the counselor, the child will be placed in the director's office and sit out for 1 minute times their age, and a discipline write up will be issued. When the parents arrive to pick up their child a parent conference will be held

with the child present to ensure that they understand the behavior for which they are being disciplined, as well as be warned of the more serious consequences for further misbehavior.

**Dismissal:** While it is always regrettable to dismiss a child from the After School program there are times when such an action is necessary. After a child's initial write-up, the consequences for further misbehavior are as follows.

1. Second write-up
2. Third write-up
3. Fourth write-up, a parent conference is held, accompanied by a one- week suspension.
4. Fifth write-up, a parent conference is held (if requested), and the child is expelled from the program.

\*During a parent conference the parent is expected to work with the director and other counselors in helping to address the behavioral issues of the child, so as to avoid any further suspensions and ultimately expulsion from the program. Powersports is deeply committed to seeing your child grow in their time here and we want to greatly avoid having to use these more serious discipline actions. Please be aware though that we do hold the right to bypass any of these steps and act immediately with the more severe consequences such as suspension and expulsion.

## **Meals and Food Practices**

### **After School**

Powersports After School program will provide your child a healthy, prepackaged snack each day. A daily snack menu can be found on the bulletin board in the after school parent pick-up area.

### **Food Allergies**

The safety and well being of our participants is our number one concern. We must not only keep this in mind during our field trips and planned activities, but as well during our meal times. Due to some children's severe allergic reactions to nuts and other food allergens, all children will be required to wash their hands before/after each and every meal time. **If your child has a food allergy please make sure to note it on their registration form as well as provide Powersports with any medication meant to treat a reaction (i.e. Benadryl, Epi-Pen).**

During meal times children with food allergies will be sat separately at a table without any food that is harmful to them.

## **Powersports Enrollment**

**Enrollment Information:** During the enrollment process parents **must completely fill out their child's registration form which is now located online.** Visit [powersportskids.com](http://powersportskids.com), click on After School, and the registration form will appear on the bottom right hand side of the screen. Throughout the year we host events that require parent volunteers. If you are volunteering for a special event you must fill out the event sign up form when it is available. Volunteers are utilized on an as needed basis. We do not accept volunteers as walk-ins.

We do have to state though that excessive visitation (more than 30 minutes), within a period of time is not allowed, unless you fill out and pass a criminal background check.
