PARENT & ATHLETE TRYOUT INFORMATION PACK

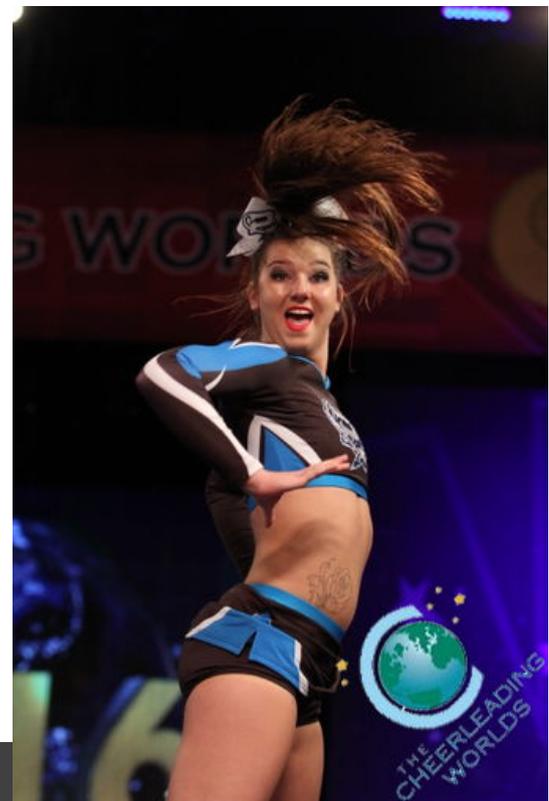

cheer@powersportskids.com

Welcome to the Powersports All-Star Cheerleading Program! We are excited that you are interested in being a part of our 9th season of competitive cheer.

Our overall goal is to train highly competitive teams while bettering individual athletic potential. We believe that our success comes from parent, athlete, and coach commitment and the great things that happen when all three parties work together. Although our most direct focus is training our athletes to become successful cheerleaders, we believe our cheer program goes far beyond skill progression. We also focus on the value of teamwork, commitment, goal setting, and character. All of these are lifetime skills that we feel make our athletes more prepared for the future both inside and outside of the cheer world.

Our program vision and goal is to build our athletes by starting with a strong foundation and progressing your child at his/her own ability level in a motivating and positive environment. By focusing on character and core values, this helps mold our athletes into solid competitive team players.

Whether you are new to Powersports or re-enrolling, the following information pack is designed to give you all the necessary details that you or your child may need. Please read everything in this pack carefully and direct any questions you may have to the Powersports Cheer email.

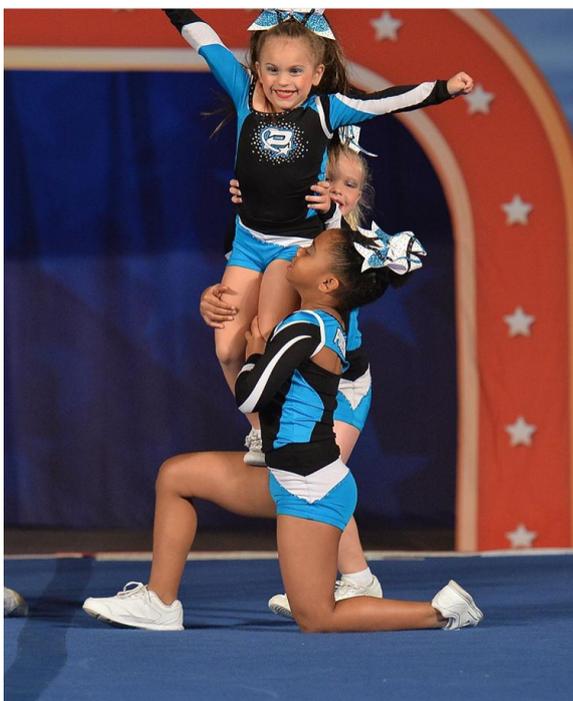

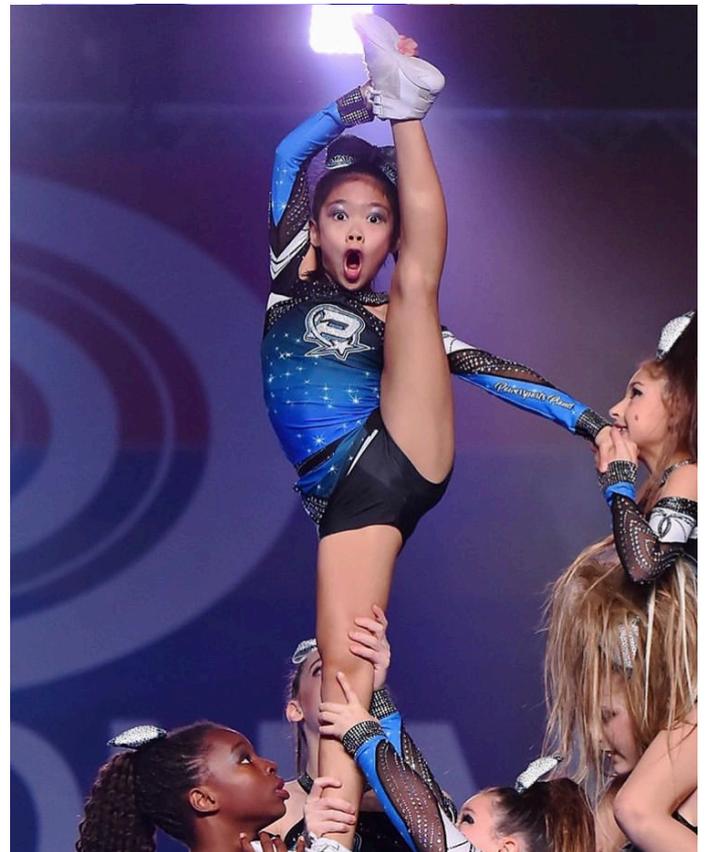

Sincerely,
The Powersports Cheer Staff

WHAT IS IT?

ELITE ALL-STAR!

The Elite All-Star division is designed for athletes with the skill level and dedication to participate year round in a cheerleading team. These All-Star teams practice 4-5 hours per week honing skills to put on the floor at competition. Perfecting their skills as a team during practices, these athletes go all out with uniform, bow, make up and high hair when traveling to different competitions on various weekends in the Fall and Spring semesters! Jumps, dance, tumbling and stunting... All-Star cheerleading is intense, FUN and rewarding!

PREP TEAM!

The prep divisions offered at Powersports Cheer are for families wanting to participate in the competitive side of cheerleading but would like to reduce the costs. Prep teams will be all dolled up when at competitions, wearing pretty uniforms, bow, make up and high hair, performing to a 2.00 minute fast paced routine. They practice limited hours and travel to fewer competitions, however our coaches still push these athletes just as hard as our elite all-star athletes! We want our Powersports kids to be the best they can be whether it's prep or all-star!

WHAT IS IT?

SHOW TEAM!

The IRON SQUAD are called a “Show” team or “Exhibition” team. This is a team made up of 3 to 6 year olds who are beginner cheerleaders or brand new to cheerleading.

It is a great introduction into the competitive cheer world in a fun and encouraging environment. The difference between All-Star cheerleading and Show Team is that Show Team will *perform* at competitions rather than *compete*. This gives them the opportunity to experience the competitive aspect of cheerleading in a non-intimidating, yet fun, way. Show Team wear a complete uniform just like the competitive teams, attend competitions and show-offs with the competitive teams, and have a choreographed 2 minute routine performed to music.

FUNCHEER!

Introducing our newest cheerleading team to the Powersports Cheer program - FUNcheer! This team will be perfect for anyone wanting to try cheerleading, but with minimal commitment!

They will practice once a week for 1.5 hours where they will learn stunting, tumbling, jumps and dance. The team will start forming a routine during practices and at the end of the 12 week session, they will showcase their routine competitions in the local area! This is a perfect opportunity for your child to try cheerleading at low costs yet still allowing them to experience the competitive aspect of cheerleading in a non-intimidating, yet fun, way.

TRYOUT INFORMATION

The weeks leading up to tryouts, practices will still be running and current athletes are still required to attend their usual practice time. Any new athletes interested in joining the Powersports family are encouraged to contact the office (cheer@powersportskids.com). Tryouts are for athletes ages 5 years and older. Athletes younger than 5 years old interested in joining cheerleading can join our Show Team which begins in August.

*If you cannot make the designated tryout time on April 14th, you may schedule a separate tryout time. Please contact cheer@powersportskids.com to set up an evaluation time with a cheer coach.

**Tryout fees will be applied to the athlete's USASF membership and the remaining towards the program T-shirt and competition bow. Tryout fees are NON-REFUNDABLE once you commit to being on one of our teams. Tryout fees ARE REFUNDABLE if we are unable to place you onto one of our teams. All athletes will be evaluated on individual skills. Our tryouts are NOT stressful! We will evaluate each athlete and encourage them to re-do skills if they are not completely satisfied.

***If you are currently registered with the gym you do not need to pay the registration fee (gym insurance). 2018-2019 registration fees expire in August. At that time, the 2019-2020 fee will be due.

DETERMINING TEAM PLACEMENT

Teams will be posted after the conclusion of Summit on May 13th.

Athlete team placement is dependent on skills performed at tryouts. After tryouts, the staff will meet extensively to assemble team rosters. Powersports Cheer will work together to create teams that have the best chance at having a successful competitive season.

All athletes must show a strong mastery of skill technique. Please remember – **HAVING** a skill does not mean being able to “throw it”. It is the ability to demonstrate the skill repeatedly with a strong level of mastery, confidence and proper execution!

Our ultimate goal during team formation is to maximize the score sheets for every team in all areas. **TRUST** the Powersports Staff to build teams that will be successful during the competition season. After the staff have completed team rosters, we will notify each athlete via email to let them know the results of tryouts.

Please note: Powersports Cheer tries to move athletes as little as possible but understand that movement **WILL** happen. Team movement is based on gaining or losing a skill, or if a certain team needs a certain position filled. Team movement can happen at any point in the season until the best possible combination of athletes are together for the success of that team.

Please note: Once placed onto a competitive cheerleading team, all skills that were performed at tryouts (especially tumbling and stunts) are to be performed by athletes during practice. If the athlete does not perform the required skills, he/she will be subject to removal from that team or be made an alternate.

Please note: Your athlete is required to consistently have at least 75% of the tryout level skills listed above. If this is not the case, we ask you to tryout for the level below. The skills listed above are the preferred skills for each level but they do not guarantee your spot on a team or level. Skill mastery and athlete maturity is also taken into consideration when placing athletes onto teams. And again, we will look at the complete span of talent across the board and create what we believe to be the most successful teams possible.

EXPECTATIONS

COMMITMENT

Cheerleading is a team sport and practice attendance is incredibly important to the success of our teams.

Our practices are mandatory. Teams practice 3-5 hours a week. As competition season nears, extra practices may be called. Plenty of notice will be given regarding extra practice times and expect athletes to be at all scheduled practices. More than 2 unexcused absences per season will result in your child being made an alternate or dismissed from a competitive team (AFTER CHOREOGRAPHY).

EXCUSED ABSENCES: School function with proof that it is for a grade, and funeral of a family member.

UNEXCUSED ABSENCES: Homework, school dances, concerts, banquets, family reunions, weddings, school/church social events, etc.

An *Absence Request EMAIL* must be submitted two weeks prior to any absence. Emails are to be sent to cheer@powersportskids.com at least two weeks prior to the absence. An email does not automatically excuse an absence. All absences must be approved.

NO ABSENCES ARE PERMITTED THE WEEK OF A COMPETITION.

Competition attendance is MANDATORY. No exceptions. If an athlete misses a competition, the athlete is subject to replacement or dismissal from the team and/or program.

EXPECTATIONS

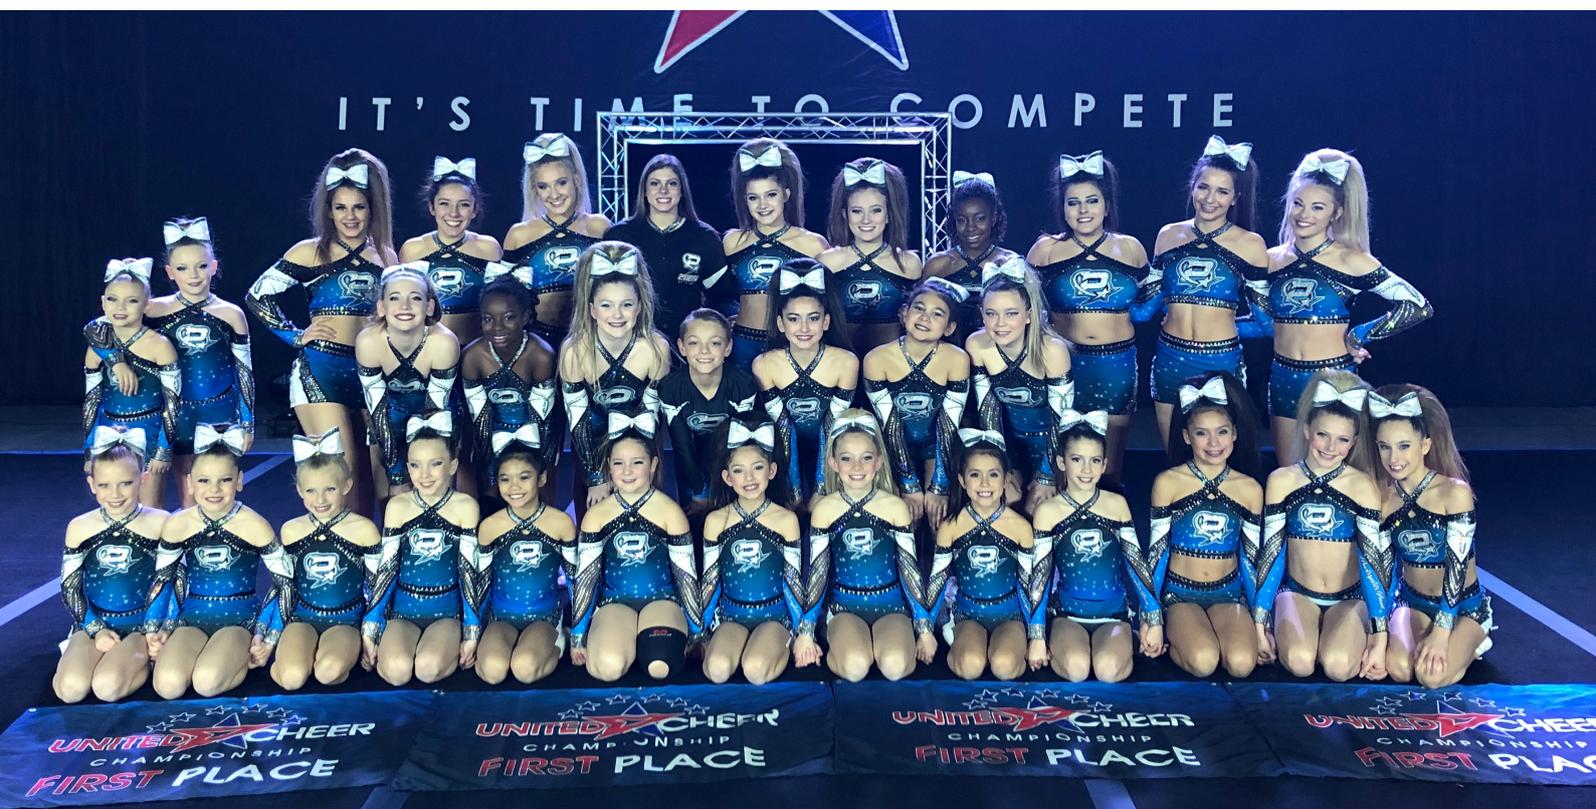

ILLNESS/INJURY POLICY

If sick or injured, athletes are still expected to attend and watch training so as to not miss changes. Participation from the athlete during practice will be at the discretion of the coach. A location is provided for sick athletes to watch where they do not come in contact with other athletes. Failure to attend practice when sick will jeopardize the athlete's position on the team. In addition to not participating, a detailed doctor's note is required.

NO PRACTICES

The gym will be closed from practices over July 4th, Thanksgiving Break, Christmas Break, and NCA College Nationals.

We understand that other circumstances may arise throughout the year and we do our best to accommodate, but please realize you and your child committed to being a part of this competitive program. The success of the team DEPENDS on every athlete's attendance at practice. We expect 100 % commitment and attendance from all athletes. No exceptions will be made for personal schedule conflicts.

EXPECTATIONS

TEAMWORK

Teaching the value of being a “team player” is important to our program and coaches. The principals learned at a young age from being on a team will stay with them long after the season ends. Because of this, we have high expectations regarding how our practices are run and how our athletes work together. Athletes and parents are expected to always exhibit good sportsmanship and show respect for their teammates, Powersports staff, other athletes and parents within the gym. The way our athletes and parents treat each other and the coaches is the first step in building a strong team.

Our coaching goal is to make practice and competitions FUN and rewarding. We attempt to create a positive environment and use hugs and encouragement as our primary motivators. We understand that each child is different in learning and if necessary, will work with each parent in the disciplinary action for his or her child.

CHARACTER

Powersports has high expectations of athletes’ character and is taken very seriously. Athletes and their families represent our gym, program, and community at every performance. ALL members (parents, athletes, etc.) of our program are expected to exhibit positive character and sportsmanship at ALL times. Athletes and parents are expected to always exhibit good sportsmanship and show respect for their teammates, Powersports staff, other athletes and parents within the gym. Inappropriate behavior, comments, or facial expressions towards a coach or another athlete WILL NOT BE TOLERATED. *Athletes will receive a verbal warning from a coach for inappropriate behavior. The second warning will result in sitting out during practice time. The third warning will result in dismissal from practice. Multiple practice dismissals will result in removal from squad.*

Gossip is infectious and can ruin a team. This includes gossip inside and outside of the gym. Please focus on yourself and/or your child. Any concerns you have are more than welcome to be discussed with the coaches as we greatly value your opinion. A coach will handle any personal issues in a private and professional manner. Gossip or negative remarks regarding our program, other cheerleading programs or other athletes will not be tolerated. Athlete and/or parent gossip can result in immediate dismissal from the program.

PRACTICE RULES

Practices are open for parents to sit and watch. Practices will be closed to parents if any issues arise regarding gossip, unsportsmanlike discussions regarding other teams, or causing any issues of that nature. There will be special circumstances where parents are asked to come watch their athlete practice (ie. Showoff, end of year competition week, etc.).

ONLY ATHLETES are allowed on the practice floor. Parents MUST stay in the viewing room at all times. If a parent's presence is deemed necessary, a coach will come and get them.

DRESS CODE

Athletes must wear appropriate practice gear as long as the clothing colors are blue, black or white (Powersports colors). **No other colored athletic clothing will be allowed.** All athletes are responsible for arriving on time and wearing the correct attire, the correct shoes and having their hair pulled back. Powersports is building responsible athletes and it is the athlete's responsibility to pack their cheer bags and wear the correct outfit to practice.

For safety reasons, there is to be **NO JEWELRY** worn at practice. Fingernails must be kept short at all times. **NO** cell phones, food, gum, or drinks other than water are allowed in the gym. All cheer bags and extra clothes should be left in the viewing area.

COMMUNICATION

All official communication from the club will be distributed to parents via emails and monthly meetings. Notifications will also be sent via Team App regarding practice times, competition times etc. Valuable time is spent on writing emails and meeting notes so please take the time to read them. It is your responsibility to update any changes to your phone/email with the office.

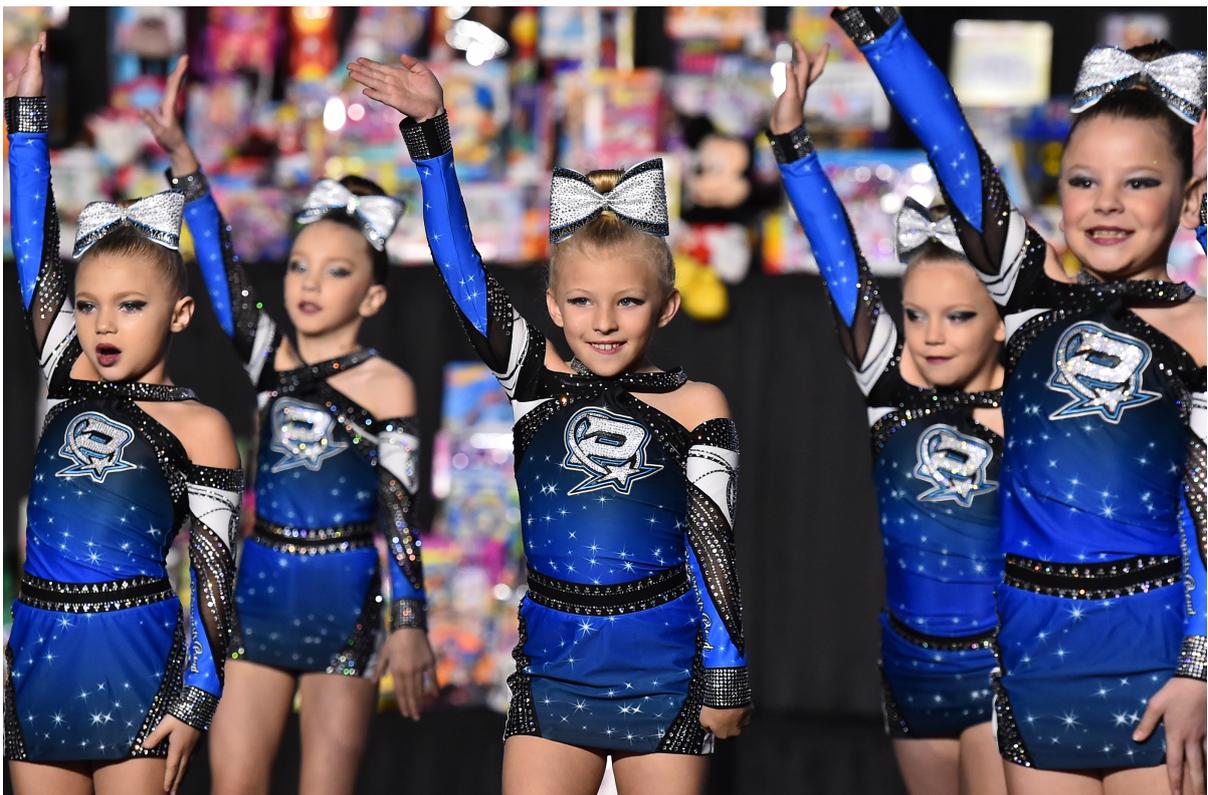

THE POWERSPORTS NAME

USING POWERSPORTS NAME, LOGO, ROUTINES

Using the Powersports name or logo in relation to posts or photos on any social media site is a powerful representation of the program. Please remember, anything that is said is a direct reflection of the program as a whole. **Negative or unjust posts regarding the Powersports program as well as other cheerleading programs will not be tolerated from athletes or parents of the gym.**

All routines and choreography including cheers, dances, stunts, transitions, and tumbling should be highly protected and shall not be shown or discussed with others. Under no circumstances shall Powersports choreography be copied or taught to anyone from outside the team and cannot be uploaded to ANY social media site including Facebook, Instagram or YouTube.

The Powersports name or logo cannot be used, worn, or sold without the direct written consent from the club directors (Ashley McKinley or Thad McKinley). Anything without their approval cannot be worn or sold.

PROGRAM COSTS

Competitive cheerleading is a large financial commitment. The competitive nature of the sport – the competitions and travel that is involved – makes the sport more expensive than others your child may have participated in in the past. We understand this and do our best to keep costs at a minimum. Some of these items are marked with approximate costs and will be adjusted once the final costs are confirmed. All costs listed below (besides tuition) can be paid for by sponsors and fundraisers.

ELITE ALL STAR COSTS

EXPENSE	AMOUNT*	EXPLANATION
Monthly Tuition	\$110 for level 1 \$150 for level 2-5	This is paid monthly to the front desk. Competitive teams are also required to take an additional tumble class for \$45/month (already included in the \$135/\$150 tuition).
USASF Membership	\$30	Required for every athlete each season.
Choreography & Music	\$300	Choreography is usually \$175 plus air and travel. Music will depend on the number of athletes on the team. For example, if there are 20 athletes and music is \$500, music cost is then \$25.
Uniform**	\$400	If you already have the latest competition uniform you do not have to purchase a new set.
Bow, T-Shirt, Jersey	\$70	All teams will be getting new apparel for the season.
Competition Fees (approx)	\$850	We will be attending 3-4 regional and 3-4 national competitions.
Coaches Fees (approx)	\$200	

**Uniform does not include shoes. All athletes are required to have all white competition grade cheer shoes. Shoes can be purchased from any source. If you need any recommendations, please ask the staff.

Any money awarded to a team(s) at competitions will go to the Powersports Cheer program.
