

Friday Play Day (Ages 2 - 5)

Parent Handbook

Dear Parents,

Welcome to Powersports Friday Play Day Program!

We are glad your child is enrolled in our Friday Play Day program! It is our hope that together we can make this a positive and enriching experience for everyone involved. This handbook was developed to inform parents of the Friday Play Day policies. Parents will be given a new copy each year as well as be informed of any policy changes in writing as they occur throughout the year. Parents are expected to read and be familiar with the information contained within this packet. **Note that this document serves as a contract between you, the parent, and Powersports stating that you are aware and agree to abide by our policies and procedures.**

The “Acknowledgement of handbook,” which is located on the electronic registration form, must be checked, And submitted before your child may attend our Friday Play Day program.

Our Mission

It is our mission to meet the needs of the community by providing a safe and fun Friday Play Day program for children ages 2 to 5 years old.

Our Staff

The Powersports Friday Play Day staff are carefully selected from a variety of applicants who have a background in early education or a future in teaching. We maintain a low student to teacher ratio ensuring that your child is always adequately supervised, enabling our teachers to better get to know the children.

Hours of Operation:

Front Office: Monday – Friday, 10:00am - 7:00pm

Friday Play Day (August - May): Fridays, 9:00am - 2:00pm

*Children must not be dropped off any earlier than 9:00AM. For children to fully enjoy our program, it is necessary that you arrive on time.

*Should you have to pick up your child late, please contact the front office as soon as possible. **A late pick-up fee of \$1 per minute will be applied after the scheduled pick-up time.** Note that exceptions can and will be made as to whether or not the late fee is applied. One time offenders may or may not be charged the late fee, but persistent tardiness will result in late charges to be paid before your child can attend another day of care.

Drop-off:

Each morning children must be accompanied by a parent or authorized adult. When signing in your child we ask that you please follow these steps:

1. Sign your first & last name, time you arrived, and a contact number where you can be reached during the day on the sign-in sheet. Please note: **WE WILL NOT RELEASE YOUR CHILD UNLESS THE PICK UP PERSON IS AUTHORIZED ON THE CHILD'S INFORMATION SHEET.**
2. Make sure all of your child's belongings are together with their name clearly labeled on it.
3. Accompany your child to their classroom and let the teacher know you have arrived. 4. By State Law, children must be signed in/out on the attendance record.

Pick-up:

When picking up your child we ask that you please follow these steps:

1. Sign your first and last name in the appropriate space provided on the sign-out sheet. If someone is picking up your child who is not authorized on their registration form then written notification from the parent/guardian must be provided to Powersports. All persons picking up children must have a valid photo ID. **We will not release your child to anyone not authorized on his/her registration form.**
2. Make sure all your child's belongings are together and accounted for, and most importantly belong to them. Although our staff will help each child gather up their belongings, please note that you as the parent are allowed to step back into our facility and assist your child in packing up their belongings as well as helping our staff find anything they may have misplaced throughout the day.
3. By state law children must be signed in/out on the attendance record.

1. A temperature of more than 100 degrees Fahrenheit in the morning. Children should be free of fever for 24 hours (without medication) before returning to Friday Play Day.

9. Been diagnosed by a doctor as having an ear or throat infection. Children must be medicated for at least 24 hours before returning to Friday Play Day.
10. Head lice; a child must be free of **head lice/eggs** before returning to class. A doctor's note and assessment by the Child Care director will be required upon your child's return. This also applies to **ringworm**.

*If a condition develops during the day, a parent will be notified and the child must be picked up as soon as possible. A sick child will be attended to and kept comfortable in the director's office until the parent arrives. **It is required by law that any child sent home due to illness may not return until they have been symptom free for 24 hours.**

*Only prescription medications and "emergency medications" prescribed by a doctor (i.e. asthma, insulin, Epi-pen, etc.) will be administered by Powersports employees. You must fill out and return a "Permission to administer medication" form before any Powersports employee can administer medication to your child.

Medical Emergency Procedures:

*Powersports is extremely concerned and cognizant of our role in correctly managing situations that require first-aid and/or emergency care. Our staff is required to be certified in CPR and basic first-aid training. Specific safety and emergency procedures are posted throughout our facility and within the staff handbook. Fire drills occur once a month and severe weather drills are held each session.

Medical Emergency: In the event of an actual medical emergency, EMS (911) will be called and first-aid protocol will be followed. If transportation is necessary the program director or director's assistant will accompany the child to the hospital. Parents will be notified by phone at the number specified on the enrollment form and/or sign-in sheet.

EMERGENCY PREPAREDNESS: In the event of an actual evacuation due to fire, severe weather, flooding, terrorist attack, etc., all parents will be notified and given one hour to pick up their children. All children left after one hour will be transported to our emergency shelter located at Central Baptist Church in one of our school buses. Once at Central Baptist Church, the staff will do a name to face roll call every 15 minutes using the daily attendance records brought from our facility and the director will communicate with CCL, local authorities, and parents using a personal cell phone or a land line provided by the church. In addition, all parent emergency contact numbers, authorizations for emergency medical care and registration forms will be transported and available for use

Notification of Policy Changes: Parents will be notified in writing of any change to our operational policies and enrollment agreement. Once changes have been enacted parents will need to sign a form indicating they are aware of the changes that were made.

Discipline and Guidance Practices:

Our counselors follow a 3-step process when disciplining a child.

1. A **verbal** correction is given followed by telling the child the correct behavior.
2. A **second verbal** correction is given by the counselor and the child will sit out from the activity for 1 minute

times the age of the child (i.e. a 5 year old would sit out for 5 minutes). When the time is up the counselor will communicate to the child why they were sitting out from the activity, what the right choice should have been, and what they can do next time to prevent acting in the wrong behavior.

3. A **third verbal** correction is given by the counselor, the child will be placed at the director/coordinator's office to help the child reset and give the director/coordinator an opportunity to communicate further with the child about their actions.

4. If the behavior persists then a written warning or a write-up will be given. The director/coordinator will call the child's parent to discuss the behavior.

5. Parents may be required to pick-up their child.

Dismissal: While it is always regrettable to dismiss a child from the Afterschool program there are times when such an action is necessary. After a child's initial write-up, the consequences for further misbehavior are as follows.

1. Second write-up.

2. Third write-up.

3. Fourth write-up: a parent/teacher discussion is held, accompanied by a 1-week suspension.

4. Fifth write-up: a parent conference is held (if requested), and the child is expelled from the program.

*The connection between home and school is very important, and children must understand that we are all communicating and working together. During each parent conference the parent is expected to work with the director and other Powersports staff in helping to address the behavioral issues of the child, to avoid any further suspensions and ultimately expulsion from the program. Powersports is deeply committed to seeing your child grow in their time here and we want to greatly avoid having to use these more serious discipline actions. Please be aware though that we do hold the right to bypass any of these steps and act immediately with the more severe consequences such as suspension and expulsion with no refund of tuition and/or fees.

***Powersports Inc. has 'Zero Tolerance' for any parent/carer raising their voice, using intimidating or threatening behavior towards a member of staff or other parents/carers.** At no time will aggressive or offensive language be acceptable from anyone whatever the circumstance may be. Parents who choose to ignore, or not respect these values will have their childcare services terminated with immediate effect.

Meals and Food Practices

Lunch: Powersports Friday Play Day **does not provide a meal during lunchtime or morning snacks.** Parents are responsible for providing a nutritional lunch & snacks for their child. Please be sure to put snacks separate from their lunch meal or label them.

- We ask that you please try to pack easy-to-eat food such as finger foods. We ask that you please do not send your child with any food that requires the use of a microwave.
- Food should be cut and ready to serve. Please send grapes, hot dogs, etc. cut up especially for our younger friends to minimize the chances of choking.

- For your child's safety we also ask that you DO NOT SEND GUM, hard candy, or any other foods they may have trouble eating.
- You may pack a drink in their lunch or your child can use their water cup you provided for use throughout the day. We will help them refill it if needed. **Please note: Tea, Sodas, and Coffee drinks are prohibited while at Powersports. Please only send water or a juice box with your child's lunch.**
- FPD staff will encourage children to eat the healthy foods first and then dessert foods. Children will not be allowed to share lunches or items.
- Please label your child's lunch kits and items with their full name.

WE ARE A PEANUT PRODUCT FREE SCHOOL. PLEASE DO NOT PACK ITEMS THAT CONTAIN PEANUTS OR PEANUT BUTTER.

Snack: Due to student allergies, child likes/dislikes, and parent preferences Powersports Friday Play Day DOES NOT PROVIDE snacks during our midmorning snack time.

*If a child has not packed the appropriate number of meals, the parents will be contacted and instructed to come and provide them with the appropriate food. If a parent cannot be reached, a snack or meal will be provided for the child at the cost of the parents.

Food Allergies: The safety and well being of our participants is our number one concern. We must not only keep this in mind during our planned activities, but as well during our meal times. Due to some children's severe allergic reactions to nuts and other food allergens, all children will be required to wash their hands before and after each and every meal time. **If your child has a food allergy please make sure to note it on their registration form as well as provide Powersports with any medication meant to treat a reaction (i.e. Benadryl, Epi-Pen).**

*During meal times children with food allergies will be sat separately at a table without any food that is harmful to them.

Powersports Enrollment

Enrollment Information: During the enrollment process parents **must completely fill out their child's registration form.** If you have any questions you may ask the front desk or Director. The parent handbook must be read and the "**Acknowledgment of Hand-Book**" must be checked, and submitted electronically.

During the enrollment process, we ask that all parents provide a copy of their child's most current health status including shot records. Children enrolling in Friday Play Day must be no younger than 2yrs old and no older than 5yrs old.

It is required by law that all students must show a current shot record indicating that they have received their Immunization shot, TB, and hearing and vision tests. If your child is unable to take these tests we ask that you have a signed form from the department of health stating that your child was unable to take these tests.

Exemptions for shot records:

The law allows (a) physicians to write a statement stating that the vaccine (s)) required is medically contraindicated or poses a significant risk to the health and well-being of the child or any member of the child's household, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. Schools and child-care facilities should maintain an up-to-date list of students with exemptions, so they can be excluded from attending school if an outbreak occurs.

Instructions for the affidavit to be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief can be found at www.ImmunizeTexas.com

*Note that Friday Play Day is intended for children no younger than 2 years old and no older than 5 years old.

*It is extremely important that you list any medical issues your child has so as to better keep our staff informed about any potential complications.

Program Cost

Friday Play Day

Price: \$20 per child only at time of drop off per Friday to attend.

Annual Registration Fee: \$60 (1st child) and \$45 for each additional child is due at time of registration.

Parental Visitation

At Powersports we offer an open door policy for parents to come in and visit their child throughout the day. Our best times to come for visitation are open play time and lunch.

*If visiting while at the Powersports facility, you must sign in at the office. We do ask that while visiting your child you do not distract from any activities going on.

*We do have to state though that excessive visitation within a period of time is not allowed, unless you fill out and pass a criminal background check. We strive to provide a safe and secure environment for your children, this is why our staff are thoroughly screened and trained. If you would like more information on filling out paperwork please see the Childcare Director or front office.

*Throughout the year we host events that require parent volunteers. If you are volunteering for a special event you must fill out the event sign up form when it is available. Volunteers are utilized on an as needed basis. We do not accept volunteers as walk-ins.

Miscellaneous Information

Field Trips: Powersports Friday Play Day program **DOES NOT TAKE FIELD TRIPS**. All field trip like activities are brought to use on location at Powersports.

Transportation: At no time will this program ever be transporting your child. ONLY upon medical emergency will your child be allowed to be transported to a different location.

Enrollment information: The Powersports Friday Play Day runs August - May and does not run during the summer. We do accept enrollment throughout the year if space is available. It is required by law that all students must provide current shot records indicating that they have received their immunization shots, TB, hearing and vision tests (4+). If your child is unable to take these tests we ask that you have a signed form from the department of health stating that your child was unable to take these tests.

***IMPORTANT: When picking up your child, please make sure that all items are accounted for and are theirs. All contents within the lost and found bin will be discarded every other Friday.**

Diapers:

If your child is in diapers or is still potty training you are required to provide two changes of clothes and a supply of diapers and wipes with their full name marked on the outside. By law we are not allowed to apply any ointment during changing without a written consent from the parent. (Please see the sign-in desk if this form is needed and then notify your child's teacher).

What to wear: Keep in mind that we are always on the move during Friday Play Day; that is what we do! We play in sand, mud, and clay. We paint, glue, and make marvelous things of goop. Please remember not to dress your child in anything that you won't mind getting messy. Also, remember that since we are a fitness-base program we ask that you send your child in clothing that they can flip and move in easily. Clothing that would require little assistance is best. Shorts **MUST** be worn under dresses and skirts. Fitness workout clothes work the best. Shoes and socks to play outside. Children **MUST** wear closed-toed shoes. No sandals, flip-flops, soccer shoes, cleats, boots or shoes that have slick soles will be allowed. These kinds of shoes/sandals/boots may cause twisted ankles, stubbed toes, and lots and lots of trips and falls.

Outside time is just another activity that the children really enjoy. We recommend that all children have:

1. Sunscreen and bug spray in their bag with the child's full name on it.
2. Jacket when cold outside (please put your child's full name on the tag of the jacket).
3. A change of clothes including a shirt, shorts/pants, undergarments and socks.

Questions/Concerns: One thing we value is the feedback from parents. If you have any questions or concerns regarding your child, please communicate them through the following contacts:

1. If you have any questions or concerns regarding your child's experience in our Friday Play Day please contact the childcare director at (979) 776-0018 or email at J2L@powersportskids.com
